

Science

Understanding the world

Early Learning Goal: The Natural World

- Explore the natural world around them, making observations and drawing pictures of animals and plants.
- Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.
- Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Personal, Social and Emotional Development

Early Learning Goal: Managing Self

- understanding the importance of healthy food choices.

NB: Some Units may change in line with developing Children's interests or in line with calendar events.
