

## **Blythswood Care**

We are still supporting Blythswood Care. The charity transports our donated Christmas boxes to underdeveloped areas around the world. Here they are presented to children from poor and seriously disadvantaged families. It certainly helps to make their Christmas a little more special.

A leaflet will be sent out next week. If you need any extras, just let us know. Thanks.

## **Christmas Concerts**

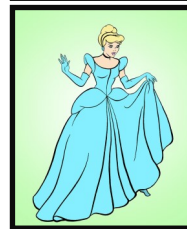

This year the children will be performing

# *Cinderella*

Tues 11th, Wed 12th, Thur 13th of December  
There'll be lots of singing and dancing and it should be great entertainment.

**More details to follow**

## **Activity Trail**

Work on the Activity Trail should start this week and may take 2/3 days  
It should be re-opened soon.  
The children can't wait!  
Thanks.

## **Homework**

Please support your child with his/her reading, the revision of spellings and the learning of number bonds and times tables.  
It really does make all the difference.  
There are national expectations (levels) which children will not be able to achieve, without lots of hard work and support from home. Thanks

## **Vacancy : Kidz Club**

Kidz Club is looking for a temporary, part-time assistant.

Sessions - 3-30pm to 5-30pm.

If you are interested and need further details, please speak to Mrs Massam (Kidz Club manageress) or contact school asap on 01704-840253.

This is a great opportunity to gain experience working with young children and to be part of a great team. Thanks.

## **Parent Consultations**

Tuesday 16th October from 2-00pm

Staff will give parents an update on how their child has settled in, how he/she is progressing and how to help at home with reading, homework and test practice etc. Letters detailing appointment times will be sent home soon. If you can only attend at a particular time, it is important that you let us know early.  
Please do your best to attend. It will help your child.

## **Parking**

As we have limited spaces for parent parking each day, please do not park in such a way as to block access to an empty space, or park over lines thus leaving spaces that are too narrow. If you have family or friends dropping off or picking up, please ask that they are similarly considerate in the way they park their vehicle. Many thanks to those parents who are using the drop-off for their children (some of whom are in reception) It really helps them grow in confidence and independence. And it also helps to relieve congestion. It is appreciated.

## **Residential Holidays 2019**

This year we're organising 3 residential holidays for the children.

**Year 4** : 10th-12th May (Friday to Sunday) to the PGL camp at Boreatton Park in Shropshire.

**Year 5** : 1st-3rd May (Wednesday to Friday) to the PGL camp at Winmarleigh near Lancaster.

**Year 6** will be staying in Scarborough next June and will be visiting lots of amazing places on the North Yorkshire coast.

## **Admissions 2019**

As we have had a good number of admission enquiries, it is likely that competition to access a reception place next September will be high. Church attendance by a parent (at least once a month) in the 12 months prior to March 2019 would be a big advantage. If you know anyone who would like a tour of the school or further details, please ask that them to contact us asap. Thanks.
