

## Year 6 Cycling Road Safety

A big Well Done and Congratulations, to all the year 6 pupils who took part in the Safer Cycling Programme the other week.

The children enjoyed 3 days of intensive tuition and gained lots of experience cycling on the local roads.

Hopefully they can remember all that they've been taught and keep themselves as safe as possible in the future.  
**And don't forget to always wear a helmet.**

## Book Fair

Thanks to Mrs Galley and her volunteers Mrs Mitchell and Mrs Dunning for organising and managing the Half-Price Book Fair. Mrs Galley has used the commission to buy extra fiction books for the class library.

Thanks to everyone who came along to purchase books.

## School Eucharist

## Drop-off in the Mornings

Could we ask that parents have their children ready to exit the car when using the drop-off in the mornings.

We had a near miss on the main road earlier in the week, as cars were stationary for too long and the queue was backed-up out of the main gate. Thanks.

## Mobile Phone Cameras Around School

The school has received concerns about parents photographing classroom information and then sharing this through social media. This is highly inappropriate. Under **no circumstances** should parents take photographs of the children in the playground or of information/work on the classroom/school walls. If you are unsure, please ask. Thanks for your help.

## Cinderella Shows

The **Thursday** performance is now **sold out**. Please remember that this is for **parents only** and older siblings and family will be refused entry. There are only a few tickets left for the Wednesday afternoon show so please don't wait too long. Please return request slips as soon as possible.

Thanks Again.

## Vacancy for a Parent Governor

As you will be aware, there is now a vacancy for a **parent governor**.

If you are interested in serving on the governing body, please return the nomination form before the deadline. Thanks.

In recent months the Governing Body has seen a few changes and a few governors have come to the end of their term of office.

The school would like to say a big thank you to Mrs Fiona Barker, Mr Darren Wilson, Mr Dave Jessop and Mr Chris Birks, for all their hard work and commitment in helping with the governance of Halsall Primary.

## Late for School

We still have quite a few children who are late for school on a regular basis. To encourage the life-skill and importance of punctuality, we do try to encourage them to be better organised at home and have their school bags and belongings ready, so that parents are not late in setting off.

If there is anything that we can do to help, please let us know. Thanks

**School starts at 8-55am when the bell sounds.**

## Volunteering in School

At present we have quite a few volunteers who help out around school. They provide class support by listening to children read, compiling workbooks, laminating, photocopying, helping with art, topic work, cookery and fieldwork etc. They add lots to the school. If anyone wishes to get involved, please let us know and we'll arrange a DBS check.

## Hats, Scarves, Gloves

It is getting colder and children are now bringing hats, scarves and gloves to school. Please try and label them if you can. It'll be easier to return them if they are lost or mislaid. Thanks.
