Athletics Competition

Our year 3/4 athletics team performed brilliantly at the WLPSSA competition at St Bede's High School in Ormskirk.

Children competed in a variety of running and field events and the team finished in a creditable 2nd place out of 12 other local primary schools.

Thanks to Mrs Crane and Miss Hampson for providing this valuable, inter-school sports opportunity. And congratulation to the boys and girls who tried so, so hard. Well done.

Mothering Sunday Service

St Cuthbert's Church
Sunday 31st March
9-30am

Please come along.

Let's tell our mums just how brilliant they are and how much we love them.
Everyone is very welcome.

Bench Ball : Success

The school Bench Ball team competed against 15 local schools in the district tournament the other day and finished 2nd following a goal difference countback.

Mrs Crane was elated that the children had played so fantastically well but was disappointed with the overly-competitive tactics of the winning team and the unsportsmanlike behaviour of that school's children and staff.

Congratulations and well done to the Halsall team.

Emma Wilson, Emily Bloom, Georgina Carlisle-Collett, Matilda Glazzard, Grace Barfield, Josh Howard, Tom Blackhurst, Jamie Petherick and Zac Benbow.

Christian Aid

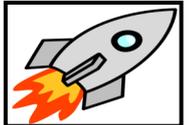

Many thanks for all the kind donations for the Toy Sale this week.

The kids loved it!

We raised nearly £300 for Christian Aid. Anything not sold on the day was taken to a local charity shop. Thanks again.

Space and Literacy Week

When we return after the half-term break (Mon 25th Feb) we're having a **Space and Literacy Week**. The children will be learning all about the wonders of space, our solar system, our planets, stars etc. They'll be doing lots of different types of writing, they'll be painting, model-making, drawing and watching DVDs. During the week we'll probably include a few art competitions and space knowledge competitions to add to the excitement. It should be great fun.

Drop-off Thanks

A big thanks to all those who are ready and prepared to get out of their cars quickly when being dropped off.

It makes all the difference and stops the queue stretching back on to the main road and causing an accident. It is appreciated. Thanks.

Parental Concerns

If you have a concern, we ask that unless the matter is urgent, you do not ask to see staff in the mornings or grab them on the playground, as this can delay and disrupt the start of the lesson for all the children in the class. Please wait until the end of the school day or ring school on 840253.

Alternatively, please pop along to the school **Drop-In** each Tuesday. (2-45pm - 3-30pm)

Thanks for your patience and understanding in this matter.
