

Halsall St Cuthbert's C.E. Primary School Newsletter 14

School Re-opens Tuesday 23rd April 8-55am (Study Club from 8-00am)

Spelling Test Winners : Spring 2

Year 1 : Oliver Madden
Year 2 : Kaelan Greenough
Year 3 : Lois Cringle
Year 4 : Jacob Hilton
Year 5 : Molly Harrison
Year 6 : Phoebe Williams

The following children also deserve a mention for either being very close to winning or for improving their score. James Harrington, Izzy Foden, Willow Caton, Adam Molloy, Lexie Murphy, Freddie Staines, Eva Daisy, Thomas, Arabelle Forshaw, William Harrington and Ava Kirkham. We now have many fabulous spellers in school. All the hard work and revision is paying off. Well done.

Y2 Dance Success - Amazing

We have just received word that our Year 2 girls' Dance Team has won the West Lincs Level 2 Dance Competition. Competing against so many other schools this is a major achievement. The girls will now represent West Lancashire in the big Lancashire Finals event on 1st May. They'll perform "It's A Hard Knock Life" from the musical Annie, at the Charter Theatre in Preston. It should be a great experience for them and a great day out. Well done to Mrs Floweth, Mrs Green and all the girls.

Mothering Sunday

The children loved making the cards and bags and saying thanks. They also took home presents for their mums last week. We hope that they liked them. The gifts were generously donated by the school's PTFA.

PGL Meetings for Parents

Year 4 : Tuesday 23rd April 3-00pm
Year 5 : Wednesday 24th April 3-00pm
Please try to attend the meeting, ask questions and find out more about the activities and organisation. Booklets will be available.
Thank you.

Kenyon Shield Winners : Summer 2

Rec : Jack Gillingham

Year 1: Eva Daisy Thomas

Year 2: Miley Potter

Year 3: Bob Dodd

Year 4: Serafina Campolucci-Bordi

Year 5: Laken Potter

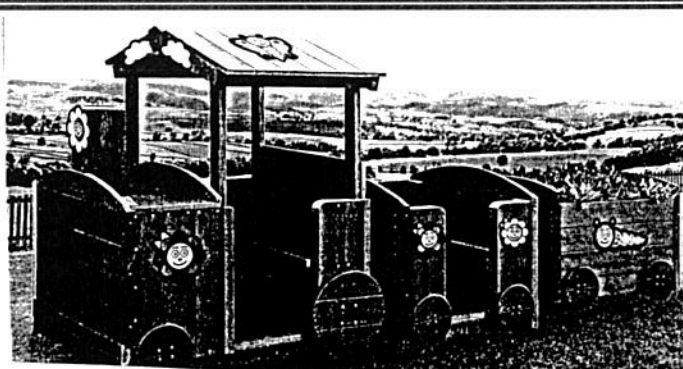

Year 6: Luke Dunning

Well done and keep trying your very best.

Gymnastics Glory

Our gymnasts (Isabel Thomas, Ava Kirkham, Serafina Campolucci-Bordi, Jaspa Moss-Langridge and Finlay Roach, competed at the district championships this week and won the team GOLD. What a fabulous achievement against 10 other local schools, many much larger than Halsall St Cuthbert's. Isabel won the overall girls' Gold Medal and Jaspa won the overall boys' Bronze Medal. What stars they are. Thanks to Mrs Green for helping coach the children and giving them this brilliant opportunity to do well.

We hope to have the train in school in the summer term

Class Restructure for September 2019

We will soon be considering how to set the classes for next September. This will depend on the number of children that arrive in reception (including those winning appeals), the number who arrive mid-year in various year groups and the number that move on to other schools. As usual, we will be full to capacity by September. In cases where we have to split a year group, to adhere to legal infant class size requirements, this is always based upon a child's recent progress and achievements and where they are most likely to thrive the following year. It is not based on age or friendship groups. Please try not to approach staff regarding the year group splits as this information is confidential and all parents will be informed in early July. Thanks for your patience and understanding in this matter.

Parent Consultations

Thanks to everyone who managed to come along to their child's target-setting meeting with staff. We hope that you found it useful. Please work on your child's targets. (even through Easter holidays) The time and support that you devote will make a big difference. Your child's progress, achievement and confidence will further improve. Thankyou.

Easter Eggs

All the children should have returned home with a chocolate Easter Egg. These have been donated by school to say well done to everyone. Please remind your child/ren what the egg represents. It's about Jesus rising from the dead, his new life and spreading the good news of God in his incredible world.
HAPPY EASTER
