

## My Teddy

My teddy is called Kiki she  
was a pink spotted and spotted  
bow on her head

She smells like my bathroom  
and makes me think of home she has  
lots of friends called unicorn, dog and  
rabbit and in the night they come  
into my bed and struggle up to me

Kiki is as soft as a real bear and as  
striped as a tiger she has cute grey legs and  
is just too snuggly!
